

India Africa ICT EXPO 2020

1 & 2 December

Accelerating Africa's
Digital Transformation & Innovation
with India Partnership

REGISTER NOW

To reiterate the relationship and commitment between India, Rwanda and other African countries, TEPC, with support of the Department of Telecommunications, Ministry of Communications, Government of India, is hosting the 'India Africa ICT Expo & Conference' on December 1 & 2, 2020. The Ministry of ICT and Innovation, Government of Rwanda is co-host for the event and Smart Africa is the partner for the event. The event would bring together over 100+ ICT companies from India, Rwanda and other African countries and expected to attract over 2000+ business visitors. The event is being supported by the Ministry of Industry & Trade of Rwanda, as well as RDB, RURA, RISA, ICT Chamber, India Rwanda Friendship forum, Kenya National Chamber of Commerce & Industry, PIOCCL.

We are targeting Pan-Africa countries on their DIGITAL TRANSFORMATION and Economic upliftment through Indian ICT solutions. We would like your team to be part of Indian team that can Enable Africa's Digital Transformation as we showcase our capabilities and offerings to African nations through interaction in Expo, Conference and B2B sessions.
